## What You Should Know

This commitment card has two purposes. First, use it as you consider, pray for, and act on supporting our What's Next campaign. Second, it lets the church leadership know how much money has been committed and when to expect it so we can make the best financial decisions possible.

We're working as fast as we can to obtain our charity status and open our new accounts so everyone receives their proper donation receipts and gifts are accurately tracked. Please begin setting aside your giving; as soon as we can intake your donations, we will update you with the information you need.
